

See how last season was, and discover why you should come to fly fish with us, and why to choose the Chilean Patagonia...

We can tell you the reasons... its fishing and also because without doubt this land is one of the most pristine regions on the earth.

We have many years in experience guiding and taking people to the far Patagonia of Chile, this knowledge allows us to meet the fishing dreams of most fly fishers, we also are eager to acquaint with culture of Chile, we always try to give an authentic experience in Patagonia. Wiith this section we try to show you part of what you could see coming to Patagonia of Chile.

If you follow our website month to month, you will be able to read and see "Last News" on the foot page, in the main menu, "News", "News About Fishing", and the "Current News of the Patagonia".
