

Reservations are required at least 60 days in advance for all Fly Fishing packages or customized trips. Due to early bookings by most of our clients, we strongly recommend making your reservations as soon as it is possible. Reservations may be made by e-mailing to [info@trespiedras.cl](mailto:info@trespiedras.cl) at anytime. Also, please email us if you want to check availability of dates, or to ask any question you may have. We are pleased to help you with arranging any aspect of your trip.

If you are looking for some particular service that you didn't find in our packages, you have the option to take a customized trip that you can create jointly with us. For customized trips just explain your fishing idea, fishing preferences or plan. If it is possible to carry out, we will tailor a trip specifically to your needs.

Upon making a reservation, you will be sent a detailed Terms & Conditions which contains deposit details, and payment and cancellation policies. Guests will receive all information on travel arrangements, necessary clothing and equipment lists, and all items of interest for the fly anglers in a complete pre-trip information pamphlet.
