

A lifetime fishing throughout the entire country, and ten years experience serving our clients allow us

to meet their expectations for their fishing trips. Many return year after year to experience wonderful fishing memories. Be assured that we seek excellence in service, and try to acquaint our guests with Chilean Culture.

To satisfy the most common needs we have arranged four different fishing packages, ranging from day trips to trips lasting up to our unbeatable week package. We also offer anglers the choice to take longer customized trips to fish all over the most untouched part of Patagonia where is located "El Malito" lodge. Email us to request complete information about prices, fishing, fishing destinations, species, equipment and all information you need to make a decision.
